Customer Information
(888) 763-5424

Used Oil Hotline 1-800-305-6621
(Louisiana only)

You may also call this hotline for any litter, recycling (includes tires) and information requests. The Department does not permit personal and sales calls on this line.

Litter Hotline 1-888-LITRBUG

See some one littering? Dumping trash out their window or into a waterway? Get all the information you can about the vehicle or boat. Record the registration or license, color, make, model, and year. Note the exact time and location that the littering occurred. Record any other information that might be helpful in finding the litterer. Report the incident to the "Litter Bug" Hotline and help us keep Louisiana clean. In most of South Louisiana, Dial *LITTER from your Cingular phone to report litterbugs from your vehicle.
